Two hearts

DBSK(Changmin)

Well, there was no reason to believe she'd always be there
But if you don't put faith in what you believe in
It's getting you nowhere
'Cos it hurts, you never let go
Don't look down, just look up
'Cos she's always there to behind you, just to remind you
Two hearts, believing in just one mind
You know we're two hearts believing in just one mind
Well, there's no easy way to, to understand it
There's so much of my life in her and it's like I'm blinded
And it teaches you to never let go
There's so much love you'll never know
She can reach you no matter how far
Wherever you are
Two hearts, believing in just one mind
Beating together till the end of time
You know we're two hearts believing in just one mind

Together forever till the end of time
She knows
There'll always be a special place in my heart for her
She knows, she knows, she knows
Yeah, she knows
No matter how far apart we are
She knows, I'm always right there beside her
And we're two hearts, believing in just one mind
Beating together till the end of time
You know we're two hearts believing in just one mind
Together forever till the end of time
You know we're two hearts believing in just one mind
Beating together till the end of time
We're two hearts believing in just one mind
Together forever till the end of time
