

# Vowels

## Ulver

loveless vessels  
we vow  
solo love  
we see  
love solve loss  
else we see  
love sow woe  
selves we woo  
we lose  
losses we levee  
we owe  
we sell  
loose vows  
so we love  
less well  
so low  
so level  
wolves evolve
