This Is My God

Steve Harris

This Is My God
I've been going round in circles
History reveals its echoes
Do you show a little kindness
I can see only blindnessI've been searching for our salvation
I can taste this desperation
Hide away this face in shame
Come on take me as I amCome on and save me
Come on and free me
Come on and hear me
'Cause this is my God
I've found my God
This is my love... my love
You are the calm I am the war
Sleeping beauty in my bed
There's a whisper from the life force
And the season's running scaredCome on and save me
Come on and free me
Come on and touch me
'Cause this is my God
I've found my God
You are my love... my loveBlessed are the children
That are raised among killers
The making of an Einstein
The making of a HitlerCan you hear me
For I'm only bleeding
Come on and save me
Come on and free me
Come on and touch me
'Cause this is my God
I've found my God
You are my love... my loveSee me... hear me...
Touch me... love me...
