Wild Wind

John Leyton

Hey there wild wind, blow away my blues
Take all the troubles, that I wanna lose
Far away, wild wind
Hear him howling, way across the plain
He's taking back, his sister rain
Far away, wild wind
Hey there wild wind, blow away my blues
Take all the troubles, that I wanna lose
Far away, wild wind Hey there wild wind, when my time is done
Carry my soul beyond the sun
Far away, wild wind
Hey there wild wind, blow away my blues
Take all the troubles, that I wanna lose
Far away, wild wind
Wild wind, wild wind, wild wind
