Send Me a Sign

Andru Donalds

(Music & Lyrics: Doanlds, Gad)Looking for something, it must be love
I don't expect nothing, in a world so tough
It was just like an adventure, between you and me
I feel like a stranger in my fantasy
Can nobody see me? I got an open heart
Won't somebody free me and tear my pain apart
I send my love out to this world
I dont wanna suffer so....
Send me a sign - nobody's perfect in this world
Send me a sign - I know your out there
Waving my name, send me a sign
When I'm telling to myself
I'm dreaming of you day and night
So send me a sign
Love is an emotion you wont forget
