I Saw The Light

Blind Gary Davis

It was late last night
I was feeling something wasn't right
There was not another soul in sight
Only you, only you
So we walked along,
though I knew that there was something wrong
And a feeling hit me oh so strong about you
Then you gazed up at me and the answer was plain to see
'Cause I saw the light in your eyes in your eyes

Though we had our fling
I just never would suspect a thing
'Til that little bell began to ring in my head
In my head

But I tried to run,
though I knew it wouldn't help me none
'Cause I couldn't ever love no one,
or so I said
But my feelings for you
were just something I never knew
'Til I saw the light in your eyes

But I love you best
It's not something that I say in jest
'Cause you're different, girl, from all the rest
In my eyes
And I ran out before but I won't do it anymore
Can't you see the light in my eyes
