# Waldorf Worldwide

## Good Charlotte

(You heard me?)
Waldorf, Naptown, World Wide, What?

(Come on, get up, get up, get up, come on, yeah, break it, break it, break it down tiki tiki)

Everything's gonna be alright now,
Everything's gonna be alright
Get down stay up all night now,
Let's do this one more time,
Everything will be alright alright,
Bring it in, bring it in, what?
Bring in the verse

Listen up 'cause there ain't nothin' funny,
I want a hott girl and a little bit of money,
I want a little house where my band can live,
'Cause we're tired of movin' every other weekend
I wanna go to parties where they got no guns,
I wanna rock with my band,
I wanna have a little fun
Where thugs and punks and any other type
Can sing this song and we'll sing it all night
(Sing it!)

[Chorus:]
Everything's gonna be alright now,
Everything's gonna be alright
Get down stay up all night now,
Let's do this one more time,
Everything will be alright,
Everything will be alright, alright

All I wanna do is kick the welfare,
All I wanna do is get my share.
All I wanna do is kick the welfare,
All I wanna do is get my share.
And I don't wanna run for the president,
I just want an honest way to pay my rent,
And I'm tired of the man always shuttin' us down,
Tired of my old man 'cause he's never around

And I'm tired of eating off of other people's plates,
And I don't look important so they're tellin' me to wait
Police records said they wouldn't exist,
I wanna know the meaning of a Christmas list,
Said all I wanna do is kick the welfare,
All I wanna do is get my share.
All I wanna do is make somethin' of nothing,
It's GC baby and we're workin' with somethin',
I said

[Chorus]

We'll be self-made millionaires,
These lives we'll lead without a care, oh yeah,
And we'll see what we'll be.
Everything's gonna be alright now,
Everybody say "Oh yeah, that's right!"
Everything's gonna be all right now,
Everybody say it one more time
Everything'll be alright, alright
We'll see you there when we get there,
We'll see you there when we get there,
On the video,
Or the radio,
In the magazines,
On the movie screens!
