Over The Rainbow

Eva Cassidy

Somewhere over the rainbow, way up high
In the land that I've heard of once, once in a lullaby
Somewhere over the rainbow, skies are blue
And the dreams that you dare to dream
Really do come trueSomeday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Oh, way above the chimney tops, that's where you'll find meSomeday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Oh, way above the chimney tops, that's where you'll find meSomewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true
