Holding On

Wild Orchid

They say patience is a virtue
But I've been waiting too long
I believed in your promises
And it hurts to see I was wrong
One more tries, the sleepless nights
The countless tears that I've cried
Why should I keep holding on
When I know someone new is holding you?
Why should I keep holding on?
I gotta let go 'cuz love's already gone
Stairways leading down to nowhere
Roads that never end
Why keep on going 'round in circles
To break my heart again?
Caressed my hair, then left me there
Alone but you don't care
Why should I keep holding on
When I know someone new is holding you?

Why should I keep holding on?
I gotta let go 'cuz love's already gone
I used to think that I should blame myself
But it wasn't me who was seeing someone else
Now here's a me you've never seen before
As you're watching me walk right out the door
Keep holding on
When I know someone new is holding you
Why should I keep holding on?
I gotta let go 'cuz love's already gone
Tell me why do I keep holding on
When I know someone new is holding you?
Why should I keep holding on?
I gotta let go 'cuz love's already gone
Why should I keep holding on
When I know someone new is holding you?
Why should I keep holding on?
I gotta let go 'cuz love's already gone
