Live For Today

Natalie Grant

Sittin in my room staring at the wall
Wonderin about the meaning of it all
Why is it this thing called life
Has got me goin crazy?So I open up your word and let it speak to me
The purpose and the plan that youve designed
Is clear to see and I believe
Im gonna live for todayIm gonna follow in your way
Im gonna let my little light shine
Like theres no tomorrow
I wont worry about the pastI know my future is intact
So Ill choose to live my life one way
Im gonna live it for todayYou told me not to worry about what lies ahead
So I am gonna focus on today instead
Making every moment count and counting
Every single blessingIm gonna set my mind on the
Here and the now
This is what I want my life to be about
And this is howMy oh, so crazy life
Its got me spinnin round and round
Hanging upside down, takin one step at a time
Holding your hand all the way and itll be okay
