Cash Cash

Cash Cash

There's a girl inside tonight
'Cause she's got nowhere to go
And her love's out runnin' wild
Oh, love's out runnin' wild, yeah, yeah, yeah
There's a girl inside tonight
'Cause she's got nowhere to go
And her love's out runnin' wild
Oh, love's out runnin' wild
And there's a voice inside her head
But it's told just what to say
Never loved you anyway
He's just a snake and you're the prey
He's got cash, cash, cash
He's made of money but he's straight out the trash, trash
He'll rip your heart out in a flash, flash, flash
Oh no, you're not for sale
Cash, cash, cash
He's made of money but he's straight out the trash, trash
He'll leave you hangin' in a flash, flash, flash
Oh no, you're not for sale, yeah, yeah, yeah
There's a girl inside tonight
'Cause she's got nowhere to go
And the rain keeps pourin' down
Oh, the rain keeps pourin' down
And it hurts to watch her stay
She could be loved by me today
He's got cash, cash, cash
He's made of money but he's straight out the trash, trash
He'll rip your heart out in a flash, flash, flash
Oh no, you're not for sale
Cash, cash, cash
He's made of money but he's straight out the trash, trash
He'll leave you hangin' in a flash, flash, flash
Oh no, you're not for sale
Oh no, you're not for sale, yeah, yeah, yeah
He's made of money
But what you really need are nights made of sweet highs
And days made of hours for you
Ooh, 'cause that's what I do

Yeah, you'll never need his
Yeah, you'll never need his
Cash, cash, cash
He's made of money but he's straight out the trash, trash
He'll rip your heart out in a flash, flash, flash
Oh no, you're not for sale
Cash, cash, cash
He's made of money but he's straight out the trash, trash
He'll leave you hangin' in a flash, flash, flash
Oh no, you're not for sale
Oh no, you're not for sale
Oh no, you're not for sale, yeah, yeah, yeah
