Why Is It Never Enough

Bonfire

Yeah
Always was a gypsy ... but not because of love
But I never was an angel ... when the road was getting rough
Just like a boomerang ... thrown into the blue
I'll always come back to you, yeahI hate to say farewell
I got to leave you again
But all I have inside is staying with you
And the wind sings its songChorus:
Tell me why is it never enough
And why I'm running away from your love
Tell me - why is it never enough
Must be another dream that I'm dreaming of
YeahI'm sitting by a river ... in a god-forsaked town
I feel a little homesick ... and I'm feeling down
The river keeps flowing ... and I have to keep on going
There's nothing I can't do, noI'm never satisfied
I want it all ... at one time
And I raise my questions to the sky
But there is no replyChorusI hate to say farewell...
Cause I got to leave you again
But all I have inside is staying with you
And the wind sings its songChorus
Why is it never enough - never enough
And why I'm running away from your love
Tell me - why is it never enough
Must be another dream that I'm dreaming of
