Days

We Are the Ocean

(This has been going on for days)

And I know that's I shouldn't feel, shouldn't feel this way about her
(I shouldn't feel, I shouldn't feel this way)
(And now its you I love tonight, now its you who I love)
(So just brace yourself for this)

(Don't you) Don't you, (Leave out) You're desperate,
(Don't you) Don't you, (Leave out) You're desperate,

And so this, is how it has to end, I'm leaving you now,
I'm off the couch, and I'm out of your front door,
And I'm not coming back anymore,

And so this, is how it has to end.

(So just tell me) This has been (So just tell me) Going on for days,(i know your secrets)
(So just tell me) This has been (So just tell me) Going on for days,(i know your secrets)

And I know that's I shouldn't feel, shouldn't feel this way about her
(I shouldn't feel, I shouldn't feel this way)
(And now its you I love tonight, now its you who I love)
(So just brace yourself for this)

(Don't you) Don't you, (Leave out) You're desperate,
(Don't you) Don't you, (Leave out) You're desperate,

(I can see that you don't need me now)
