Chameleon Queen

Cat's Eyes

I came across your old apartment
In the back of a magazine
And underneath I read about another
But still I can see you thereWhen I think of what you did
When I think of all you hid
I just don't care about you anymore
When I think of where you went
When I think how nothing meant a thing to you
I don't care
I came across an unsigned postcard
With a message full of change
And underneath words spoken like another
But still I know you're the sameI don't care if you want me back
I don't care what you think you had
I don't care about you anymore
I don't care if you're here or gone
I don't care if you were wrong
Cause I don't care
I don't care if you want me back
I don't care what you think you had
I don't care about you anymore
I don't care if you're here or gone
I don't care if you were wrong
Cause I don't care
