

# Who's Gonna Play This Old Piano

**Jerry Lee Lewis**

Who's gonna play this ol' piano  
After I'm not here?  
Who's gonna sing these sad songs to you  
Cause your eyes to fill with tears? Who's gonna keep these ivories talking  
Like Jerry's doin' now?  
Who's gonna play this ol' piano  
After my last bow? When that final curtain calls  
Someday lord it will!  
Who'll take my place on that stage  
When everything is ah hushed and still  
Who's gonna touch these keys with feeling? Really get to you  
Who's gonna play this ol' piano  
When my time is through  
The killer ain't through yet though baby! We've laughed and you know we've cried together  
Done a million shows  
So I kinda think like I  
Have every single right to know  
Who's gonna keep this music going?  
Who's will carry on? Who's gonna play this ol' piano  
After the Killer's gone!  
Give it to me boy! Who  
Hanging like dungotin
