# Animal (Dark Intensity Remix)

## Lady Gaga

You have got a wild side
You're an animal tonight
I see that you are my type
Wild like a tiger hunting the prey
We'll keep the neighbours up all night
Hot in the jungle exotic apparelI can see the way that you're looking at me
Like you're hungry and I am the only thing that you see
Won't tame you love the way you're watching meBaby i'll keep you up all night
Gotta tie you up incase you bite
Animal animal
Animal animal
Baby i'ma lock you in my cage
And I won't stop until you behave
Animal animal
Animal animal
Baby i'm gonna keep you up all night
Like an animal animal
An animal animal
I'm gonna tie you up incase you bite
I'm an animal animal
An animal animalI don't mean to blame you i'm just trying to tame you
You're an animal animal
An animal animal
I don't mean to blame you i'm just trying to tame you
You're an animal animal
An animal animalYou're a hunter feel your way
I'll do whatever you say
Hold me down and take control (mess up my hair all crazy sexual)
Do it like an animal (hot in the jungle exotic apparel)I can see the way that you're looking at me
Like you're hungry and I am the only thing that you see
Won't tame you love the way you're watching meBaby i'll keep you up all night
Gotta tie you up incase you bite
Animal animal
Animal animal
Baby i'ma lock you in my cage
And I won't stop until you behave
Animal animal
Animal animal
Baby i'm gonna keep you up all night

Like an animal animal
An animal animal
I'm gonna tie you up incase you bite
I'm an animal animal
An animal animalI don't mean to blame you i'm just trying to tame you
You're an animal animal
An animal animal
I don't mean to blame you i'm just trying to tame you
You're an animal animal
An animal animalI can see the way that you're looking at me
Like you're hungry and I am the only thing that you seeWon't tame you love the way you're watching meBaby i'll keep you up all night
Gotta tie you up incase you bite
Animal animal
Animal animal
Baby i'ma lock you in my cage
And I won't stop until you behave
Animal animal
Animal animal
Baby i'm gonna keep you up all night
Like an animal animal
An animal animal
I'm gonna tie you up incase you bite
I'm an animal animal
An animal animal
