# No You

## ZOEgirl

Feeling so crazy lately
When it seems that You're not around
The sun and the moon shine bright
But my eyes are all Yours now
Don't know how I lived with out You
I don't remember how it used to feel
Lord, I can't imagine if I had no You to hold me[Chorus]
Where would I go with no You to run to
No You to hold me when I am afraid?
Who would I be with no You beside me?
I ought to know it by now without You there's no me
Oh, there's no meLord, when I need You, You're always here
To play through the laughter, love through the tears
And when my heart seems so far away
Into Your arms is where I wanna stay
I try to find the words to tell You
All the things my heart's been telling me
I don't wanna know how it feels to have no You to love me[Chorus]Where would I go with no You to run to?
No You to hold me when I am afraid?
Where would I be with no You beside me?
I ought to know it by now without you[Chorus]
