It's the Beat

Indigo Kids

It's the beat
It's the beat

I get it, I got it
I know it's good
It's the beat
You want it, I got it
You know you should
It's the beat

Give me a mic and a beat
And I'll be straight
It's the beat
You know it's one for the treble
Two for the bass
It's the beat

It's the beat
It's the beat
It's the beat
So get up out your seat
It's the beat

When I get busy
Clap your hands, move your feet
It's the beat
On the dance floor
I am a world class freak
It's the beat

Youâ€™re back into the wall
We waiting for you
It's the beat
Two, four, six, eight
Let me see what you can do
It's the beat

It's the beat
It's the beat
It's the beat

It's the beat

It's the beat
You don't need no invitation
It's the beat
'Cause this is my creation
It's the beat
So get up out your seat
It's the beat

It's the beat
It's the beat

It's the beat
You don't need no invitation
It's the beat
'Cause this is my creation
It's the beat
So get up out your seat
It's the beat

It's the beat
It's the beat
Get up off your seat
It's the beat
