

Hallelujah (Club Mix)

Happy Mondays

Hallelujah, hallelujahHallelujah, hallelujah
We're here to pull ya
Back in to do it all the same
Hallelujah, hallelujah
Not sent to save ya
Just here to spank ya n'play a gameDo it long, long, doin' it long
Fine, fine, doin' it fine
Go in, out, goin' in, not outHallelujah, hallelujah
Not here to praise ya
Just here to raise ya n' fill you full of nailsHallelujah, hallelujahHallelujah, hallelujah
We're Mr. Bitter
We'll take a bit of this and that
Hallelujah, hallelujah
When Shaun William Ryder
Will lie down beside ya, fill you full of junkHallelujah, hallelujah
Hallelujah, hallelujah
Hallelujah
