Someone Like You

James Ingram

I can hear you whisper, baby
You say you're not really satisfied
So I need to know your situation
Is there a chance you could be mineChorus:I need someone like you
Someone to love me
I need someone like you
To love me baby
I need someone like youWell I appreciate sophistication
And honey that's a word you do define
I can hardly wait to hold you
I can hardly wait to make you mine
Ooooh I really wanna know you better
Do you wanna get together
OooH Oohhh
Chorus:I need someone like you
Someone to love me
I need someone like you
To love me baby
I need someone like youTell me now
Is it my imagination
Do you want my lovin'
Tel me now
Is it the power of flirtation
Do you want my love
Do you need someone
Ooooh Yeah
To love me baby
Darling I need
I need someone like you
I know what I need
Someone like you baby
Ooohh
Darling I need I need I need
To love me baby
Baby Baby Baby
Feel you lovin arms around me
I need someone like you
To love me baby
Darlin I need

Feel you lovin touch babe
Someone to love me babyFade Chorus:I need someone like you
Someone to love me
I need someone like you
To love me baby
I need someone like you
