Chuck e. Costa

I'm so disappointed and all alone
I miss my childhood and all I've known
Is this wanting all I need
I know i found the answer
If I could only see, If I could only see
The answer lies in me
It's all too hard to force a chance
We fret too much about this world
Just be your own and face each day
Answers will slowly come your way
I'm so full of purpose, But void of means
I can't be certain of anything

Has this wanting taken me
I know I'd find the answer
If I could only see, If I could only see
The answer lies in me
I would like to make things perfect.
But I can't seem to get it right
Only steps away from the answers.
But I can't reach them
Now, I realize the answers will
Come to me in time
I cannot reach them
They can reach me
