Cinnamon Girl (feat. Boban)

[dunkelbunt]

I met her on the milky way
who she was I could not say
I only knew I wanted to stay
together we spent night and dayWe used to fly through summer trees
the air was full of blossom breeze
deep inhale this tasty smell
how many stories does it tell?Hey my little Honey bee
Youre farï»¿ away thats hurting me
I miss you darling far away your
warm sweet smile this summer day
Je me trouve en plein hiver
de lautre cÃ´tÃ© de la terre
jai trop froid sans ta chaleur
jen ai besoin pour mon bonheurEn pleurant je compteï»¿ les jours
comme tu me manques mon amour
bientÃ´t on faira des voyages
dans le ciel sur les nuagesIt's time to leave to say good bye
please oh darling dont ask why
after the sun comes rain dont cry
remember our days in the sky My heart is bleeding every day
since we had t 'say fare well
I still can taste your tender skin
it smelled so good like cinnamon
Hey my little Honeyï»¿ bee
youre far away that's hurting me
I miss you darling far away your
warm sweet smile this summerday
