Burning Wood

James Reyne

All these houses in a line
Saying hey good morning so fine
Singing oh security so goodSticks and stones and tombs of burning wood
Sticks and stones and tombs of burning woodNow that's a fire a big bonfire
A big 3 story mansion it's a smoldering pyre
He loves her it clicks
When I ski I jump for womens tricksSnug interior the hand of God
So much dirty laundry in their backyard
Ooh, possessions if you couldSticks and stones and tombs of burning wood
Sticks and stones and tombs of burning wood
Sticks and stones and tombs of burning wood
