

# Cold in Ohio

## Jamie Lawson

This city's always moving  
Nothing stays still  
Somebody's always leaving  
Somebody always will  
There are airplanes  
Taking off and landing  
Lovers left behind  
Without understanding  
It's cold in Ohio  
I'm not going there  
It's cold in Vostok station  
In the middle of nowhere  
It's cold in New York city  
With that north wind blowing through  
Cold in Ohio  
But it's warm here next to you  
I understand you're worrying  
I know the feeling  
Love is always shifting sand  
Not much to believe in  
These are the times we're living in  
This is the way of the world now  
I'm not giving in and you  
You don't know how  
It's cold in Ohio  
I'm not going there  
It's cold in Vostok station  
In the middle of nowhere  
It's cold in New York city  
With that north wind blowing through  
Cold in Ohio  
But it's warm here next to you  
Let the snow fall down  
Let the wind blow through  
It doesn't matter now  
It doesn't matter now  
It's cold in Ohio  
I'm not going there  
Cold in Vostok station  
In the middle of nowhere  
It's cold in New York city  
With that north wind blowing through  
It's cold in Ohio  
But it's warm here next to you  
Next to you, oh  
It's cold in New York city  
With that north wind blowing through

It's cold in Ohio  
But it's warm here next to you  
Next to you  
Next to you
