Doâ€™s And Donâ€™ts

Gomez

There's a dog in the water
A dog in the water
Well we can do what we wannaWe'll never get older
Got to do what you wanna
You'll never get olderThe flag's in the water
The flag's in the water
Yeah, we can do what we wannaWe'll never get older
Got to do what you wanna
You'll never get olderThere's a fly in the water
A fly in the water
Yeah, we can do what we wannaWe'll never get older
Got to do what you wanna
You'll never get older
