The Pan Within

The Waterboys

Come with me
On a journey beneath the skin
Come with me
On a journey under the skin

We will look together
For the Pan within
Close your eyes
Breathe slow we'll begin

Close your eyes
Breathe slow we'll begin
To look together
For the Pan within

Swing your hips
Loose your head and let it spin
Swing your hips
Loose your head and let it spin

And we will look together for the Pan within
Close your eyes
Breathe slow we'll begin
Close your eyes

Breathe slow we'll begin
To look together
For the Pan within
Put your face to my window

Breathe a night full of treasure
The wind is delicious
Sweet and wild with the promise of pleasure
The stars are alive

And nights like these
Were born to be
Sanctified by you and me
Lovers thieves fools and pretenders

And all we gotta do is surrender
Come with me on a journey
Under the skin
Come with me on a journey under the skin

And we will look together
For the Pan within
