Spoonful

Leslie West

Could fill spoons full of diamonds
Could fill spoons full of gold
Just a little spoon of your precious love
Will satisfy my soulMen lies about it
Some of them cries about it
Some of them dies about it
Every thing's a fightin' about the spoonfulThat spoon, that spoon, that spoonful
That spoon, that spoon, that spoonful
That spoon, that spoon, that spoonful
That spoon, that spoon, that spoonfulCould fill spoons full of coffee
Could fill spoons full of tea
Just a little spoon of your precious love
Is that enough for me?Men lies about it
Some of them cries about it
Some of them dies about it
Every thing's a fightin' about the spoonfulThat spoon, that spoon, that spoonful
That spoon, that spoon, that spoonful
That spoon, that spoon, that spoonful
That spoon, that spoonCould fill spoons full of water
Save them from the desert sands
But a little spoon of your forty five
Saved you from another manMen lies about it
Some of them cries about it
Some of them dies
Every thing's a fightin' about itEvery thing's a cryin' about it
Every thing's a, everything's a dyin' about it
Every thing's a cryin' about it
Every thing's a lyin' about itSpoonful, spoonful
Everybody's a dyin' about it
Alright just tryin' about itThat spoon, that spoon, that
Little a spoon, little a spoon, little a
Litte a spoon, little a spoon, little a spoonful
That spoon, that spoon, that spoonful
That spoon, that spoon, that spoonful
Every thing's a dyin' about it, yea
