Do Nothing Till You Hear From Me

DooBopSound

Do nothing till you hear from me
Pay no attention to what's said
Why people tear the seam
Of anyone's dream? Is over my headDo nothing till you hear from me
At least consider our romance
If you should take the word
Of others you've heard, I haven't got a chanceTrue, I've been seen with someone new
But that doesn't mean that I've been untrue?
Though we're apart, these words in my heart
Reveal how I feel about youSome kiss may cloud my memory
And other arms may hold a thrill, yeah
But please do nothing till you hear it from me
And you never, never willNever will, never willTrue, I've been seen with somebody new
That doesn't mean that I've been untrue?
Though we're apart, these words in my heart
Reveal how I feel about youSome kiss may cloud my memory
And other arms may hold a thrill
But please do nothing till you hear it from me
And you never, never willNo you never will
Don't believe what they say 'cause I didn't do it
Take my word that it's you I'd love
And hold on to me, throw out the look
That nothing till you hear it, hear it from me
