Red Balloon

Never Shout Never

A lonely red balloon
Tied down to his worries
Dreams of taking flight
Slowly moving out of sightTo a sky of curious blue
Infinite, inviting
A prisoner of self doubt
He whispers to himself:"Why can't I cut the ribbon tied around my neck?
Then maybe I could finally breathe
Then maybe I could finally see
The bigger picture staring back at me"Monday's my weekend
Tuesday's alright
Hey! Hey! I'm ready!
It's go time! Go time!
Green is my color
Sunshine's my sky
Hey! Hey! It's go time!
It's go time! Go time!
Hey! Hey! I'm ready!
It's go time! Go time!A storm goes through the city
Towards the lonely red balloon
Ratter tattered ribbon
Lost it's grip and off he flewTowards the sky of lightning
He thundered through and through
Fireworks like Independence Day
Whoop dee dooUp so high without the noose
That used to choke my neck
Now that I can finally breathe
Now that I can finally see
The bigger picture staring back at meMonday's my weekend
Tuesday's alright
Hey! Hey! I'm ready!
It's go time! Go time!
Green is my color
Sunshine's my sky
Hey! hey! It's go time!
It's go time! Go time!
Hey! hey! I'm ready!
It's go time!Go above the atmosphere
There's no separation here

To vision it's illusion
It's all one big balloon
A round goodbye!Monday's my weekend
Tuesday's alright
Hey! Hey! I'm ready!
It's go time! Go time!
Green is my color
Sunshine's my sky
Hey! hey! It's go time!
It's go time! Go time!
Hey! hey! I'm ready!
It's go time! Go time!The bigger picture
Everything is staring back at me
The bigger picture
Everything is
Everything is
The bigger picture
Everything is staring back at me
The bigger picture
Everything is
Everything is
Everything is
Everything
