Three Little Words

The Applejacks

Iâ€²m gonna send my love today
Right to you and say
With three little words, I love you

I'm gonna send one tender kiss
To your tender lips
Those three little words, I love you

When love is far away, every day seem longer
But as I write, to you, today
My love grows stronger

Iâ€²m gonna send my love today
Right to you and say
With three little words, I love you

I'm gonna send one tender kiss
To your tender lips
The three little words, I love you

When love is far away, every day seem longer
But as I write, to you, today
My love grows stronger

I'm gonna send my love today
Right to you and say
The three little words, I love you
I love you
I love you
