Plachmacho

Hey
From a promise, yeah
And drop the face
From your teen years
Throw one downHey
Listen to this
Real time
Out of sync
From your teen years
Throw one down
Hey[incomprehensible] for kickin' it out
[incomprehensible] for kickin' it out
[incomprehensible] for kickin' it out
[incomprehensible] for kickin' it outReal time
Out of sync
From your teen years
Throw one downReal time
Is out of sync
From your teen years
Throw me down[incomprehensible] for kickin' it out
[incomprehensible] for kickin' it out
[incomprehensible] for kickin' it out
[incomprehensible] for kickin' it outReal time
Out of sync
From your teen years
Throw one down
