In The City

Joe Walsh

Somewhere out there on that horizon
Out beyond the neon lights
I know there must be somethin' better
But there's nowhere else in sightIt's survival in the city
When you live from day to day
City streets don't have much pity
When you're down, that's where you'll stay
In the city, oh, oh.
In the cityI was born here in the city
With my back against the wall
Nothing grows, and life ain't very pretty
No one's there to catch you when you fall
Somewhere out on that horizon
Faraway from the neon sky
I know there must be somethin' betterAnd I can't stay another night
In the city, oh, oh.
In the city
