That's Life

Van Morrison

That's life
That's what the people say
You're riding high in April
Shot down in MayI know I've got to change my tune
When I get back up on top in JuneThat's life
Funny as it may seem
Some people get their kicks from
Stepping on a dreamI don't let it get me down, no, no, no
This big old world keeps spinning roundI've been a puppet, a pauper, a pirate
A poet, a pawn and a king
I've been up, down, over and outAnd I know one thing
Every time I find myself flat on my face
I pick myself up and get back in the raceThat's life
I can't deny it
I thought of quitting
But my heart wouldn't buy itIf I don't think it's worth a try
I'm gonna roll myself up in a big ball and dieI've been a puppet, a pauper, a pirate
A poet, a pawn and a king
I've been up and down and over and outAnd I know one thing
Every time I find myself flat on my face
I pick myself up and get back in the raceThat's life
Oh, I just can't deny it
I thought of quitting
But my, my heart wouldn't buy it, no, no, noIf I don't think everything is worth a try
I'm gonna roll myself up in a big ball
Roll myself up in a big ball
Roll myself up in a big ball andBye, bye
Bye, bye
Bye
