Parking Lot

Casey Veggies; Mike G; Tyler, The Creator

Get crunk, get crunk, get crunk, get
(let me see ya)
Get crunk, get crunk, get crunk, get
(everybody)
Get crunk, get crunk, get crunk, get
(let me see ya)
Get crunk, get crunk, get crunk, get
(everybody)
Home with no where to go, I'm not gonna be alone
Callin' you on your phone, three to four times in a row
And I ain't gone quit until I finally get you to pick up the line
And you wanna know what I want? Well, it's 11 O'clock
Right on the dot and I had this feelin' I had to see
My shawdae, to see my homie, but it's got to be with the quickness
[Incomprehensible] Are you with this? I'm tellin' you
I need to see you now, can you get out?
I'm 'bout to leave the house so
(Meet me at the McDonald's parkin' lot)
For it get too late, I can't wait
It's just around my way so
(Meet me at the McDonald's parkin' lot)
Just over the hill, at the light, take a right
Hang a left, don't have a strike
(Meet me at the McDonald's parkin' lot, yeah)
So what you waitin' for?
Hit the door, put the pedal to the floor
(Meet me at the McDonald's parkin' lot)
I'm at the drive through, right beside you, ready to take your order
Take you right here in the parking lot, I'mma make sure
It's hot for you like you like it, good for you like you like it
Taste it right here in the parking lot
And I got to stop, 'cause we in the drop
But I just got to, can't let you go,[Incomprehensible]
And I can't help it, I'm gon'
Meet you here tomorrow night, I'm telling you
I need to see you now, can you get out?
I'm 'bout to leave the house so
(Meet me at the McDonald's parkin' lot)
For it get too late, I can't wait

It's just around my way so
(Meet me at the McDonald's parkin' lot)
Just over the hill, at the light, take a right
Hang a left, don't have a strike
(Meet me at the McDonald's parkin' lot, yeah)
So what you waitin' for?
Hit the door, put the pedal to the floor
(Meet me at the McDonald's parkin' lot)
Get crunk, get crunk, get crunk, get
(let me see ya)
Get crunk, get crunk, get crunk, get
(everybody)
Get crunk, get crunk, get crunk, get
(let me see ya)
Get crunk, get crunk, get crunk, get
(everybody)
Get crunk, get crunk, get crunk, get
(let me see ya)
Get crunk, get crunk, get crunk, get
(everybody)
Get crunk, get crunk, get crunk, get
(let me see ya)
Get crunk, get crunk, get crunk, get
(everybody)
I need to see you now, can you get out?
I'm 'bout to leave the house so
(Meet me at the McDonald's parkin' lot)
For it get too late, I can't wait
It's just around my way so
(Meet me at the McDonald's parkin' lot)
Just over the hill, at the light, take a right
Hang a left, don't have a strike
(Meet me at the McDonald's parkin' lot, yeah)
So what you waitin' for?
Hit the door, put the pedal to the floor
(Meet me at the McDonald's parkin' lot)
Meet me at the McDonald's parkin' lot
Meet me at the McDonald's parkin' lot
Meet me at the McDonald's parkin' lot
