You Spoke

YFriday

You spoke and behold
The dawn of Time
Said "let there be light"
And there was light
God of this world
Through history
We see You shine
We see You shining

They followed the star
Your guiding light
That led them to You
Led them to life
God of this world
in mystery
We see you shine
We see you shining

Jesus, Jesus
you light up the world
You light up our lives!
Lord Jesus, Jesus
Your light is alive in me

Your word foretold
The end of time
The glory of You
Our only light
Saviour and King
Eternally
We'll see You shine
We'll see You shining

No hint of darkness
Can stand in Your light
Can stand in Your light, Lord
You've shattered the darkness
And given us life,
Your glorious life.
