We Are One

Vexento

I wanna run away .
My arms open as the wind blows.
You make me feel stuck in between.
Pick up the pieces you left.
As if I don't wake up and there's a tornado around my life .
Another day without your love .
Gime your kissing, gime your love .
You turned of the light, so now i cant see .
Trying to breathe, cos I'm drowning in our love .
Trying to hold the sweetest memory.
Mmm...
I've tried to get rid of you but ur
eyes tell me too stay tell me to stay .
How can we tell this is love.
You picked me up and played with me other and other again.Mmm...
I'm from x you're from y .
I cant win you other.
I won't run without you .
I wanna run away .
My arms are open as the wind blows.
You make me feel stuck in between .
Pick up the pieces you left .
As if i don't wake up a tornado comes flying around my life .
Mmm...
I miss our taste of love .
Mmm...
Before you leave give me a big kiss .
Honey I'm on fire, i can feel it ethery were
I can feel it everywhere.
Kiss me hard before you go .
Kiss me hard before you go .
Youve made our love sour so now you've made me numb inside .
Mmm...
Ill love you until it hurts so then u know how i felt .
You cant stop me from loving u unconditionally.
I will love u unconditionally .!
Mmm...
Its just started.
It just started.

It's not about me it's not about you it's about who we wanna be .1
Mmmm... Mmmm... Mmmm.
