

I'm Into Something Good (In Concert)

Herman's Hermits

Woke up this mornin' feelin' fine
There's somethin' special on my mind
Last night I met a new girl in the neighbourhood, whoa yeah
Somethin' tells me I'm into something good
(Somethin' tells me I'm into somethin') She's the kind of girl who's not too shy
And I can tell I'm her kind of guy
She danced close to me like I hoped she would
(she danced with me like I hoped she would)
Somethin' tells me I'm into something good
(Somethin' tells me I'm into somethin') We only danced for a minute or two
But then she stuck close to me the whole night through
Can I be fallin' in love
She's everthing I've been dreamin' of
She's everthing I've been dreamin' of I walked her home and she held my hand
I knew it couldn't be just a one-night stand
So I asked to see her next week and she told me I could
(I asked to see her and she told me I could)
Somethin' tells me I'm into something good
(Somethin' tells me I'm into somethin')
(Somethin' tells me I'm into somethin', ahhh)
