Missing You (Radio Edit)

Kim English

I can't believe it
I can't believe it
I can't believe it
I can't believe it
Oh I can't believe itI'm missing you
I'm missing you
You're ever on my mindYesterday had you on my mind
Thinkin' 'bout all the happy times
Looked at pictures of what we used to be
How I wish I could turn back time
To the days when you were mine
Can't hold back what I'm feeling inside of meI'd do anything to see your face 'cause I'm missin' you
There is no one who can take your place, I am missin' you
I can't believe that you are gone but I'm missin you
I must live my life, I must move on still I'm missin' youI tremble when I hear your name
There ain't nothin to ease the pain
The thought of being without you I just can't face
Oh, never thought I could feel like this
Now I long for another kiss
I'd do anything just to feel your warm embraceI'd do anything to see your face 'cause I'm missin' you
There is no one who can take your place, I am missin' you
I can't believe that you are gone but I'm missin you
I must live my life, I must move on still I'm missin' youI'd do anything to see your face 'cause I'm missin' you
There is no one who can take your place, I am missin' you
I can't believe that you are gone but I'm missin you
I must live my life, I must move on still I'm missin' youI'd do anything just to feel your warm embrace
The thought of being without you I just can't faceI'd do anything to see your face 'cause I'm missin' you
There is no one who can take your place, I am missin' you
I can't believe that you are gone but I'm missin you
I must live my life, I must move on still I'm missin' youAlways in my heart
Ever on my mindYou're in my heart
Ever in my mindIn my heart
Ever on my mindYou're in my heart
You're ever on my my my mindI'd do anything to see your face 'cause I'm missin' you
There is no one who can take your place, I am missin' you
I can't believe that you are gone but I'm missin you
I must live my life, I must move on still I'm missin' you
