Jerusalem

Neil Diamond

You know that you can find me
On the way to Jerusalem
But I took a magic carpet ride
To a popular movie show
And that's where I found her
Was on the way to Jerusalem
She was hangin' on silver screen
A techni-color Michelangelo

Well I was rollin'
On the way to Jerusalem
I was headed for the Promised Land
And nothing make me go against the tide
But I took a little turn, yeah
Was on the way to Jerusalem
What's another day more or less
You pay your money
And you take your ride

One more day, gonna stay one more day
Then I got to go
On my way,
Tell them I'm on my way
But I need to know
Does Jerusalem close?
Does Jerusalem close?
When does it close?

Oh, yeah
(You know that you could find me)
Oh, yeah
(On the way to Jerusalem)

Oh, yeah
(You know that you can find me)
Oh yeah
(On the way to Jerusalem)

Oh, yeah
(You know that you can find me)

Oh, yeah
(On the way to Jerusalem)

Oh, yeah
(You know that you can find me)
Oh, yeah
(On the way to Jerusalem)

Oh, yeah
(You know that you can find me)
Oh, yeah
(On the way to Jerusalem)

Oh, yeah
You know that you can find me
Oh, yeah
