I'm a Train

D. Ray Polk

Iâ€™m A Train

REFRAIN:
Iâ€™m a train
Rollinâ€™ down the tracks for you
Iâ€™m a train
I know just where I â€˜m going to
But Iâ€™m not stopping at no depot
In any town Iâ€™m going through

Iâ€™m using fire steam and diesel -
Even a trolley pole
Any other trains on my track
Better take the hole

[REFRAIN]
And Iâ€™m not gonna stop in no station
Look out now Iâ€™m a-coming through

You know Iâ€™ve been in the hump yard
And my wheels are hot
You can be my box car baby
Weâ€™ll never pull apart

[REFRAIN]
And I ainâ€™t looking for no trouble, no
Just where these tracks will lead me to

[Solo]

Feel like Iâ€™m always going downhill
Bailing canâ€™t be right
I can use a shoofly baby
Might have to dynamite

[REFRAIN]
And that little light thatâ€™s in the tunnel
Might be your train coming back at you

Iâ€™m a train, yeah

Iâ€™m a train
