Hold On

Black Box

Hold on, hold on
Hold on, hold onCocaine, cocaine to go
Straight to your brainHold on, I think the game is over
Hold on and try again to feel all right
Hold on and put the slow on feeling
Hold on, you see they're all just uptightHold on, you're gonna feel so fine
Hold on, don't take it, set you right
Hold on, you're got to move to try
Hold on, you'd better step my wayRemember when there was no sigh
Remember all the time gone by
Remember when you used to smile
Keep it on your bloody mindRemember all the time how good
Remember that's all up to you
Remember when I was the top
Keep your thanks and then just tell meWhy? Why?
Tell me, why? Why?Cocaine, cocaine to go
Straight to your brainHold on, you're on your own today
Hold on, you walk on down, they see all right
Hold on, put your cares to sleep
Dig it on that funky beatYou just can't go on feeling sad
Take it bad like a jilted loverRemember when there was no sigh
Remember all the time gone by
Remember when you used to smile
Keep it on your bloody mindRemember all the time how good
Remember that's all up to you
Remember when I was the top
Keep your thanks and then just tell meWhy? Why?
Tell me, why? Why?
Tell me, why? Why?
Tell me, why? Why?Cocaine, cocaine to go
Straight to your brainHold on
