

747 (Strangers in the Night)

Saxon

We've got a 747 coming down in the night
There's no power, there's no runway lights
Radio operator try to get a message through Tell the flight deck, New York has no lights
There's no power, what do we do?
747 coming down in the night, try to get a message through We were strangers in the night, both on separate
flights
Strangers in the night going nowhere This is Scandinavian one O one
Flight from Hawaii coming out of the sun
Kennedy should be in sight
We can't see a thing here in the night Navigator says, we're on the flight path
There's no radio, no sign of life
This is Scandinavian one O one
For God's sake, get the ground lights on 'Coz we were strangers in the night, both on separate flights
Strangers in the night going nowhere There's a 747 going into the night
There's no power, they don't know why
They've no fuel, they've got to land soon
They can't land by the light of the moon They're overshooting, there's no guiding lights
Set a course into the night
Scandinavian one O one
For God's sake, get your ground lights on We were strangers in the night, lost on separate flights
Strangers in the night going nowhere Strangers in the night, we were strangers in the night
Strangers in the night, we were strangers in the night
Strangers in the night, both on separate flights
Strangers in the night going nowhere
