The Way She Walks

Dirty Loops

I hit this place like so many times before
It always thieves me wanting more
I lost my case
There's nothing that glows on the floor for me to explore
But then
Accepting motion like it burns my mind
Adrenaline is running high
Because of if so much sugar rush
And if i save for your rush
The way she walks
She walks like a shining light
She said the rhythm i'm just in my way
The way she walks
Like silver must with the night
And i will always be
Always be
Always be lost
The way she walks
She walks like a shining light
She said the rythm i'm just in my way
The way she walks
Like silver must with the night
And i will always be
Always be
Always be lost
I lose my guard her prescence gives me these on
There's no defence within my heart
And now i know there's something that glows on the floor from one and more
It's these emotion like it burns my mind
Adrenaline is running high
Because of if so much sugar rush
And if i save for your fly by by by
The way she walks
She walks like a shining light
She said the rythm i'm just in my way
The way she walks
Like silver must with the night
And i will always be
Always be

Always be lost
The way she walks
She walks like a shining light
She said the rythm i'm just in my way
The way she walks
Like silver must with the night
And i will be always be
Always be
Always be lost
(And i will always be always be always be lost)
(And i will always be always be always be lost)
(Solos)
The way she walks
(Drum solo)
The way she walks
(Drum solo)
The way she walks
(And i will always be always be always be lost)
The way she walks
She walks like a shining light
She said the rythm i'm just in my way
The way she walks
Like silver must with the night
And i will always be
Always be
Always be lost
The way she walks
She walks like a shining light
She said the rythm i'm just in my way
The way she walks
Like silver must with the night
And i will always be
And i will always be
And i will always be always be lost
