Before The Throne Of Grace

Point Of Grace

Before the throne of grace I come
Humble and [Incomprehensible] one
With sorrow for the deeds I've done
Before the throne of grace I comeBefore the throne of grace I fall
With a trembling voice I call
For pardon from the Lord of all
Before the throne of grace I fallI love the Lamb who took my sin
Whose mercy makes me clean againOh, before the throne of grace I hear
Debt has paid, your name is clear
Precious words of life so dear
Before the throne of grace I hearI love the Lamb who took my sin
Whose mercy makes me clean again
I rise with words of grateful praise
Knowing now the only wayBefore the throne of grace I stand
Oh, because the son of man
Bears my wounds, His feet, His hands
Before the throne of grace I stand, I stand
Before the throne of grace I stand
