Hungry Hands

The Common Linnets

Any minute now I know
I'll look to find you gone
I can't see it, can't believe it
But I feel itI can see in every move you make
You're moving on
For so long it
Seems like all you ever wantedYour hungry hands, have grown so cold on me
And I've come to see I'm not the one they're hungry for
All those times I wish they'd set me free
Guess I had my chance and I'm out of your hungry handsOf the thousand times I watched you reaching for the door
I somehow never really saw you leaving
The thought of freedom always made me feel so free before
I somehow never saw myself aloneYour hungry hands have grown so cold on me
And I've come to see I'm not the one they're hungry for
All those times I wish they'dset me free
Guess I had my chance and I'm out of your hungry handsYour hungry hands have grown so cold on me
And I've come to see I'm not the one they're hungry for
All those times I wish they'd set me free
Guess I had my chance and I'm out of your hungry hands (3x)
