Closer

Josef Salvat

Oh, we're further than before
And it's harder than it used to be
When I wanna see you,
'Cause I need to, 'Cause I feel like it
'Cause I want to, it gets the better of meYou don't know how hard
It is to bear
Getting on without you, without you
I'm not getting anywherePre-chorus:
'Cause every time that I see you,
I can't help but think
That you're a little more distant now
Than when you were with me last week
When I just want to get closer,
A little closer to you
Get as close as I can,
So close that I can't breathe unless you doChorus:
Get a bit closer, closer to you
Get a bit closer, closer, closer, Ah ah
Get a bit closer, closer to you
Get a bit closer, closer, closerI close my eyes,
I close my eyes and I pray
Hoping that you have got what it takes,
But I'm a fool, to think that you might waitPre-chorusChorusBut you're choosing Stockholm, you're choosing
New York
You touched down in Sidney, everywhere that I'm not
We're going the distance but how can't you see
All this resistance ain't coming from me(Get a bit closer) 'Cause every time that I see you,
(Closer to you) I can't help but think
(Get a bit closer, closer, closer)
That you're a little more distant now
Than when you were with me last week(Get a bit closer) But I just wanna get closer,
(Closer to you) A little closer to you
(Get a bit closer, closer, closer)
As close as I can,
So close that I won't breathe unless you do(Get a bit closer) Unless you do
(Closer to you) Unless you do
(Get a bit closer, closer, closer, ah ah)
So close that I can't breathe unless you doGet a bit closer, closer to you
Get a bit closer
