Paper Doll

Fleetwood Mac

You like a man with a future
You like a woman with a past
Well, do you really believe that?
She said to the faces in the crowdYesterday I was fascinated by somebody else
(Yesterday I was fascinated by somebody else)
Yesterday I was fascinated by somebody else
(Yesterday I was fascinated by somebody else)And even if you did miss me, you never let me know
You'd prefer to be just a little bit in and out of love with me
And not to scream and shout
You'd prefer to be just a little bit in and out of agonyYesterday I was fascinated by somebody else
(Fascinated by somebody else)
Yesterday I was fascinated by somebody else
(Yesterday I was fascinated by somebody else)Come on now, let the sad winds blow down
As the rain came, she refused to wear her coat
But deep in her heart she knew
That the song must go onHe says "Well, I have forgotten you
And your beautiful eyes
We were off the wall
We were mirrors of our former selves""Well, you could have said, 'No'
You could have said, 'Well I just can't'
Whoa, we were off the wall
We were mirrors of each other passing by"Yesterday I was fascinated by somebody else
(Yesterday I was fascinated by somebody else)
Yesterday I was fascinated by somebody else
(Yesterday I was fascinated by somebody else)Well, I was your paper doll, paper doll
(Yesterday I was fascinated by somebody else)
Well, I was you paper doll, paper doll
(Yesterday I was fascinated by somebody else)And it doesn't even matter, it was a real clear answer
(I was fascinated by somebody else)I was fascinated by somebody else
(Yesterday I was fascinated by somebody else)
I was fascinated by somebody else
(Yesterday I was fascinated by somebody else)
I was fascinated by somebody else
