

You Lie Too Much

Johnny Winter

You ran around with
Tom, Dick and Slim
They weren't givin' you no money
Baby for what you were givin' them Honey you lie too much
Baby you know you lie too much
Stagger Lee and Charlie Brown
Naughty, you lie with every man in town Sold some to the policeman
The neighbors raised a grudge
But you didn't give a damn 'bout it
And sold some to the judge Honey you lie too much
Little girl you lie too much
You pick 'em up, you put 'em down
You lie with every man in town Yeah, Dr. John! [Instrumental] You sold some for a nickel
You sold some for a dime
If the men didn't have no money
Then you sold him some on time You lie too much
Yeah you lie too much
Stagger Lee and Johnny Brown
Naughty, you lie with every man in town Look out, there... [Instrumental] Your mama and your papa
Your sister and your brother
Policeman on the beat
And a whole damn lot of others You lie too much
Yeah you lie too much
You pick 'em up, you put 'em down
You lie with every man in town Yeah, honey you lie too much
Yeah you lie too much
Baby you lie too much
You know you lie too much
You pick 'em up, you put 'em down
You lie with every man in town
