Advisory - the following lyrics contain explicit language:

Sell the kids for food
Weather changes moods
Spring is here again
Reproductive glandsHe's the one
Who likes all the pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it mean
Knows not what it mean
And I say
He's the one
Who likes all the pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it mean
Knows not what it mean
And I say yeahWe can have some more
Nature is a whore
Bruises on the fruit
Tender age in bloomHe's the one
Who likes all the pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it mean
Knows not what it mean
And I say
He's the one
Who likes all the pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it mean
Knows not what it mean

And I say yeahHe's the one
Who likes all the pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it mean
Knows not what it mean
And I say
He's the one
Who likes all the pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it mean
Knows not what it mean
And I say yeah
