Little Dreamer

Beth Rowley

They may talk about your cold when you were
Headed for the skies
But you were young and bold, and baby
Didn't that change with a wink of your eye
Now no one's talkin' 'bout those crazy days gone by
No one talks about the times you cried
A little dreamer
A little dreamer
And then they went and they voted you
Least likely to succeed
I had to tell them baby you were armed with
All you'd need
Seems no one's talking 'bout those crazy days gone past
Weren't they amazed when you were really last?
You are the little dreamer
You were the little dreamer, yeah yeah
Yeah, they talk about your cold when you were
Headed for the skies
But you were young and bold, and baby
Didn't that change with a wink of your eye
Seems no one's talkin' 'bout the crazy days gone past
Weren't they amazed when you were really last?
You are the little dreamer
A little dreamer, yeah, oh oh
Yeah, a little dreamer
Little dreamer
